SPECIALTY PLIERS

10-1/2" FENCING PLIERS

This professional quality all in one fencing tool is made from high carbon steel that is milled and polished and has dipped PVC handles for grip.

The hammer head also features a nail puller, a staple remover, a wire stretcher and wire cutter as well as precision milled channel and jaw for wire twisting. Imported.

ITEM#:	DESCRIPTION:
FP52	10-1/2" ALL-IN-ONE FENCING PLIERS

11" LONG REACH NEEDLE NOSE

11" extra long needle nose pliers with the PVC dipped handles for sure grip. Perfect for mechanic use, or any hard to reach area as well as excellent additions to any fisherman's tackle box. Imported.

ITEM#:	DESCRIPTION:
11NN	11" LONG REACH NEEDLE NOSE PLIERS

4 PC. SNAP RING PLIER SET

Fixed tips assure perfect removal or installation of internal and external snap rings and the dipped PVC handles allow for positive grip. This is a set of four 6" snap ring pliers. Imported.

Internal Snap Ring

External Snap Ring

CLASS # 43

LOCKING GRIP PLIER SETS

These clamps feature handles that tighten and lock to firmly hold materials in place, leaving your hands free to operate tools. Then with a simple flick of the inner hasp, the grip is loosened immediately, and unlike standard clamps they 'remember' their size when loosened. Heavy duty all steel construction.

Includes:

3 Piece
Welding Clamp Set
ITEM#: 852

- 11" Locking 'C' Clamp
- 8" Locking Sheet Metal Clamp
- 9" Welding Clamp

ITEM#:	DESCRIPTION:

- 11" Locking 'C' Clamp
- 18" 'Deep Throat' 'C' Clamp

ITEM#:	DESCRIPTION:
851	3 PC. LOCKING 'C' CLAMP SET

CLASS # 43

WIRE & CABLE STRIPPER

Self adjusting wire and cable strippers are the perfect answer for stripping and mending any type of wire, including cable TV coax, audio and computer wire from 10 to 26 gauge, or for cutting from 10 to 22 gauge wire and cable.

These tough grippers bite into the outer casing without gouging the cable underneath. No need to set the depth or feel your way into the cable, because these are self-adjusting, you can't miss! Imported.

SELF ADJUSTING WIRE & CABLE STRIPPER

CLASS # 43

5 PC. MECHANIC'S PLIERS SET

This standard set of mechanic's pliers could be the only set you will ever need. They are made of heavy duty, drop forged steel, with heat treated jaws and hardened cutting edges. The handles are double dipped to prevent shock and provide user comfort. (The locking pliers, because of its functions, does not have the dipped handles). Vinyl carrying pouch is included. Import.

Includes one each of the following pliers:

- 8" Linesman Pliers
- 10" Locking Plier
- 6" Diagonal Side Cut Pliers
- 10" Slip Joint Pliers
- 6" Needle Nose Pliers

5 PC. MECHANIC'S PLIER SET

CLASS # 43

6 PC. MECHANIC'S PLIER SET

These professional quality mechanic's pliers are made from high carbon, tempered steel that is hardened and polished. Each plier is precise, accurate, and made to last. There is no 'play' or 'wobble' in the jaws and they feature rubber coated, insulated handles to prevent shock and provide user comfort.

The high visibility handles make them easy to locate and this 6 piece set comes complete in a roll up, vinyl pouch. Imported.

Set Includes:

- 8" Slip joint pliers
- 8" Linesman pliers
- 8" Needle nose w/ cutter
- 8" Curved needle nose
- 8" Diagonal side cutters
- 13" Groove joint pliers
- Vinyl, roll up pouch

5 PC. LOCKING PLIERS SET

This is the best value in locking grip pliers with a quality equal to that of Vise Grip™ brand. These are tools you can count on to do the tough job but at a much better price than the top brand.

All steel construction and made to last. Each wrench tightens with a twist of the knob and loosens instantly with a flick of the inner hasp. This 5 piece set includes a roll up canvas and vinyl pouch. Imported.

Set Includes:

- 5" curved jaw pliers
- 7" curved jaw pliers
- 10" curved jaw pliers
- 10" straight jaw pliers
- 6-1/2" long nose pliers

5 PC. LOCKING GRIP PLIER SET

CLASS # 43

10" BOX JOINT PLIERS

Also known as 'tongue and groove' pliers or 'water pump' pliers, these are incredibly handy, especially for plumbers. They are extra strong and can be repositioned using one hand unlike other brands that have to be taken off of the material and positioned using both hands.

The heavy duty, steel jaws on these box joint pliers are notched to grasp objects firmly without slippage and they also remain parallel in any position to better conform to nuts and bolts. Manufactured in Spain.
